

MULTI-FUNCTIONAL NITRILE COATED GLOVES - 13 GAUGE

Description

This soft 13-gauge seamless nylon knitted glove provides improved flexibility, breathability, and dexterity. A light black nitrile palm coating ensures a tight grip in dry or oily conditions and resists cuts and abrasions.

- 13G lightweight soft, moisture-wicking and seamless construction offers increased comfort and 360° breathability.
- Ultra light nitrile foam coating offers superior grip in dry and light oil applications and resistance for cuts and abrasions.
- Nitrile coated palms for chemical protection.
- Meets EN388:2016 Level 3 Abrasion Resistance.
- The open back provides breathability and ergonomic shape increases comfort.
- Color coded hems for easy size identification.
