flexstoneTM

At Super-Fit Inc. ,we represent one of the largest O.E.M. Manufacturer's for work safety gloves in China. Our company "Super-Fit Inc" is a wholesale supplier of high quality work safety gloves with a warehouse distribution center in Santa Ana CA. Our organization manages two private label brands: FlexStone and CoreStar. FlexStone is a new proprietary technology for glove liner fabrication. CoreStar hand safety products are unique fabrications for general utility , nitrile and vinyl disposable exam gloves (non surgical), and household cleaning gloves.

Cut Resistant gloves fabricated with a revolutionary blend of high performance polyethylene (HPPE) composite synthetic fibers that make FlexStone the lightest, strongest glove liner ever produced. Paired with our advanced Nitrile Micro- Foam Coating Techniques, the FlexStone gloves are the most versatile cut and chemical resistant gloves available in the market today.
